E X P E R I E N C E

Head Administrator / Community Manager

Empire of Caveine | June 2024 – Present

- Direct backend operations and administrative governance for an active digital community of 40,000+ members, ensuring platform stability and policy adherence.
- Function as Head of Recruitment: designed end-to-end recruitment pipelines, conducted structured interviews, vetted candidates, and built a stable 16-person junior moderation staff.
- Supervise, mentor, and evaluate 16 moderators; achieved an 87.5% task-completion rate across scheduled shifts with zero critical complicance breaches.
- Standardized conflict resolution protocols and authored comprehensive operational SOPs, reducing internal policy disputes across cross-functional teams.
- Maintain longitudinal administrative records, moderation logs, and reporting spreadsheets in MS Excel and Word across multi-month operational cycles.

Operations & Administration Intern

Jamil Industry, Kab. Bandung | June 2025 – July 2025

- Processed and verified 50-100 daily manufacturing order entries with zero entry discrepancies, supporting accurate inventory fulfillment.
- Supervised and coordinated a floor team of 6 warehouse staff, aligning shift checklists with daily operational targets.
- Handled approximately 10 critical consultant and vendor inquiries daily regarding order tracking, delivery timelines, and issue resolution.
- Formulated daily volume reports in MS Excel, providing actionable order metrics to management to streamline dispatch cycles.

Educator & Academic Coordinator

Kuttab Al-Barokah, Kota Bandung | September 2023 – March 2026

- Structured and delivered curriculum-driven educational modules to primary cohorts, tailoring instructional frameworks to improve comprehension and engagement.
- Orchestrated creative academic events that increased student retention and active session participation.
- Collaborated with 11 educators to refine evaluation rubrics; served as primary continuity substitute across multiple disciplines during administrative absences.

Logistics & Operations Courier

J&T Express, Kab. Bandung | June 2022 – March 2024

- Executed dispatch, route tracking, and secure delivery of 20-50 high-priority parcels daily with high on-time delivery metrics.
- Maintained daily courier operational logs and resolved customer route-delivery escalations across multiple zones.
- Coordinated directly with dispatch administrations to optimize daily handoffs and inventory reconciliation.

Licensed Financial & Protection Advisor (Professional Development)

PT FWD Insurance & PT Agrodana | October 2026 – Present

- Licensed Life Insurance & Sharia Insurance Agent (AAJI & AASI Certified, valid 2026-2028).
- Completed institutional training in risk underwriting, client consultation, and financial market instruments

TECHNICAL & APPLIED PROJECTS

Personal Analytics & Journaling Engine

Mentor-Guided Software Project | 2026

- Engineered a 550-line CLI productivity and text analytics engine implementing full CRUD operations (Create, Read, Update, Delete) and persistent JSON storage.
- Designed automated tracking algorithms for daily streaks, word targets, and sentiment/mood distribution, rendering real-time ASCII data progress visualizations.
- Implemented case-insensitive keyword search with dynamic in-text highlighting and automated file I/O exporting of formatted, timestamped summary reports.
- Built robust user input validation and exception-handling routines to prevent runtime crashes during continuous execution.
